

HIGH SCHOOL STUDENTS

You are invited to join ISU's French program

Here's why:

- Get an edge in the business world

Knowing the French language and culture makes you stand out in a pool of job applicants. French is the official language in 28 countries!

- Study abroad in Grenoble, Angers, or Quebec
"My experience in Grenoble was truly amazing. It was the first time in my life that \ I was not only the minority but also was not able to fully express myself! Being the only American in my class allowed me to learn so much about other cultures and teach them about ours." -- From a returning student.

- French coffee hour every Wednesday, 3:30-5:00 PM in Williams Hall 116

- Monthly social gathering

- Communicate via Facebook with students in

French-speaking countries

- Major, minor, teacher-ed, BA/MA, and MA programs with a first-class faculty
- Live abroad and teach English in a French-speaking country after graduation and get a better job later
